

# Rule of Lord Ram was source of inspiration for Constitution makers: PM

**HARIKISHAN SHARMA**  
New Delhi, January 28

**TERMING THE CONSTITUTION** a living document, Prime Minister Narendra Modi on Sunday said that “Prabhu Ram ka Shasan (Lord

Ram’s rule)” was a source of inspiration for the makers of the country’s Constitution. On 109th episode of Mann Ki Baat, Modi said, “This year our Constitution is also attaining the completion of 75 years... In part three of the

original copy of this very Constitution, the fundamental rights have been described and it is noteworthy that at the beginning of part three, the makers of our Constitution had allotted due space to the pictures of Bhagwan Ram, Ma-

ta Sita and Lakshman ji. Prabhu Ram ka shasan (Lord Ram’s rule) was also a source of inspiration for the makers of our Constitution and that is why on January 22 in Ayodhya, I had talked about Dev se Desh... I’d referred to Ram se

Rashtra,” Modi said. The PM said, “The occasion of Pran Pratishtha in Ayodhya seems to have bound around a common thread, crores of people of the country together. Everyone’s feelings are unanimous, everyone’s devotion is

in unison...Ram is in everyone’s words, Ram is in everyone’s heart...” “On the evening of January 22, the entire country lit Ram Jyoti and celebrated Diwali. During this time, the country saw the power of togetherness,

which is also a major basis for our resolutions of a developed India,” he said. Referring to the Republic Day parade, Modi said, “This time the parade of 26th January was awesome, but the most discussed element was seeing

women power in the parade... This time, out of the 20 contingents that marched in the parade, 11 were of women... India of the 21st century is thus moving ahead with the mantra of women-led development.”
