The allottee must pay the entire subscription amount within 15 days of the date of allotment. The allottee is also required to pay the subscription amount immediately after obtaining the allotment letter.
IndiaFirst Life IPO likely more than $30 bn in India

Canada funds hold total $3.6 billion in Stock, with埝

The THREE Canadian funds hold total $3.6 billion ($1.19 billion) in equity stakes, according to data from Morningstar, which tracks P2 and VCI.

Over the past few years, stocks of listed Indian firms have been firming up, with these funds, which have been buying into the market for a long time, starting to show signs of picking up.

The total value invested by Canadian funds in 131 holdings fell to $9.65 billion on September 31, from $14.32 billion in Sep-
tober 2019 as they continued to boost their stake in Indian equities, according to a Morningstar analysis.

BANK OF BARODA・PROD-\HEd IndiaFirst Life is not to be mentioned in the public offi-
cering (IPO), possibly as soon as November 15, a report said.

"Post September, the first big window of Q4, IndiaFirst Life is likely to announce the public offering (IPO), possibly as soon as Novem-
ber 15," a source said.

IndiaFirst Life's valuation, based on the latest round of funding, is over $3 billion, which could push to $3.5-4 billion.

With a total of 1.19 billion, the insurance firm is likely to raise $3-4 billion in the IPO.

IndiaFirst Life, the country’s largest private life insurance firm, plans to raise up to $3.5 billion in an initial public offering (IPO).

The IPO is expected to open on November 15 and close on November 18.

IndiaFirst Life, which is a joint venture between the Bank of Baroda and the German insurer Allianz SE, has an eye on a valuation of $3 billion.

The insurance firm, which was set up in 2008, has been. The IPO is being managed by a syndicate of underwriters led by Citigroup, Goldman Sachs, Morgan Stanley and ICICI Bank.

IndiaFirst Life has a large presence in the bancassurance channel, with around 90% of its new business coming through the banking channel.

The insurance firm has more than 20 million policyholders and 2,500 branches across the country.
