The loss of one or more marketing partners or distributors, the deterioration of their financial condition or prospects, or a reduction in their demand for our products or our inability to maintain and increase the number of our arrangements for the marketing and distribution of our products could adversely affect our business, results of operations, financial conditions and cash flows.

2. <u>Dependency on the Regulated Markets:</u> Our business is dependent on the sale of our products and continued growth of the Regulated Markets of US, Canada and United Kingdom. The table below sets out our breakdown of revenue from Regulated Markets Business and Emerging Markets Business, for the indicated periods:

	(in ₹ million)						
Net cash from operating activities	63.86	(198.71)	(10.79)	(104.47)			

Such negative cash flows from operating activities were mainly attributable to the increase in working capital requirements which was on account of commencement of operations of SPI and acquisition of our subsidiaries, Havix and Ratnatris.
