

Operational Setup Manual for sending Market making request on ENIT for SME securities

Version 1.0

November 2020

As per the SEBI circular ref. no CIR/MRD/DSA/31/2012 dated November 27, 2012 for all the SME companies the market making has been made mandatory for the period of three years.

In order to submit on time request and online tracking of the application, Exchange has provided a digital platform (ENIT) where the market maker can submit the request for market making.

The SME Company needs to ensure that the market maker has submitted the request on ENIT as per the Exchange circular NSE/MSD/43522 dated February 13, 2020. Failing to which can cause in delay in listing of the SME scrip at the Exchange.

The Company's letter for appointment of the said market maker is essential for submission of request on ENIT.

The format for the company letter is provided in [Annexure 1](#) in the below link:
<https://www.nseindia.com/products-services/emerge-sme-change-in-market-maker>

For submitting application on ENIT, Elock setup is the pre-requisite. The below is the installation procedure:

1. Uninstall the current version of Elock Supersigner Client.exe (If you have any)
2. Download the latest version of ElockClient exe from Dropbox :
https://www.dropbox.com/sh/77xmjyt823moeyg/AABt1q4s6_NSgTVJBtBLkLWZa?dl=0
3. Install with Administrator rights. (Right click and run as administrator on .exe file)
4. Than login and check signing from google chrome browser
