Note:

1) The above-mentioned commercials are per medium of data display. For the sake of clarity, website and mobile app are considered two different mediums and charged separately.

2) Real time market data vendors of NSE are allowed to provide 15 minutes (and more than 15 minutes) delayed data on their proprietary terminal/software without any additional fees for display usage only. However, if delayed data (15 minutes delayed or more) is provided in the form of data feeds to vendor's clients for any type of usage, written consent from NSE Data & Analytics is mandatory. Vendors are requested to get in touch with NSE Data & Analytics for any such requirements or advice their clients to contact NSE Data & Analytics.

3) Commercials are same even if the data is delayed by more than 15 minutes. For example, commercials for 20 min/30 min/1-hour etc. delayed feed is same as 15-minute delayed feed
