NO SUCH RESERVATION GLOBALLY: BIF

6 GHz band for Wi-Fi to hit 5G, 6G: COAI

FE BUREAU New Delhi, August 14

TELECOM OPERATORS, REP-RESENTEDby the Cellular Operators Association of India (COAI), have reiterated their stance that the spectrum in the 6 GHz band should be allotted for mobile services and not reserved for Wi-Fi.

In a letter dated August 10 to newly-appointed telecom secretary Apurva Chandra, COAI said the spectrum will be crucial as India firms up action plan for Bharat 6G and delicensing the spectrum will seriously hamper the deployment of 5G and 6G services in the country.

The letter from COAI to the DoT secretary comes amid ongoing meeting of the APT Conference Preparatory Group for WRC-23 (World Radiocommunication Conference) in Brisbane, wherein a delegation from DoT is participating. One of the discussion items is on the 6 GHz band, on which a final decision will be taken at WRC-23 in December in Dubai.

COAI has urged DoT to back the argument of telcos in the meeting. The 6 GHz band that includes the spectrum in the range of 5.9-7.1 GHz has the potential to carry high speed data and is globally used for offering Wi-Fi services. "6 GHz band is the only additional con-support. In counter, Broadband person of BIF.

Bengaluru, August 14

COAI has urged DoT to back the argument of telcos. The 6 GHz band has the potential to carry high speed data and is globally used for offering Wi-Fi services

tiguous spectrum available in Mid-Band for IMT (international mobile telecommunications) beyond what has already been put up in auction. Hence it is important for future growth of 5G and beyond technologies including the roadmap for 6G introduction in India," said SP Kochhar, director general of COAI.

According to Kochhar, Wi-Fi services in India already have sufficient spectrum in the 2.4 GHz and 5 GHz bands (totaling 688 MHz) to meet the demand for Wi-Fi access in the 2025-2030 period.

Further, COAI argued that the spectrum of more than 600 MHz was delicensed by DoT in the 5 GHz band in 2018 and out of the 600 MHz, 255 MHz is completely unutilised in absence of device ecosystem

India Forum (BIF) that represents technology firms like Google, Microsoft, Meta and Amazon wants the government to either delicense the complete spectrum available in the 6 GHz band for Wi-Fi or atleast give part of the spectrum. BIF said world-over there's no such reservation of spectrum in this band for mobile services, and any such move would affect the growth of public Wi-Fi systems

"Given that public Wi-Fi is the way to accelerate broadband penetration across the country, liberalisation of public Wi-Fi through the PM-WANI scheme is one of the important steps to help achieve the government of India's vision of Digital India and to attain the objectives of providing 'Broadband for all," said Aruna Sundararajan, chair-

in the country.

BSNL narrows its loss in April-June

JATIN GROVER New Delhi, August 14

STATE-OWNED BHARATSanchar Nigam (BSNL) has witnessed a 33% sequential fall in its revenue from operations to ₹4,290 crore in the April-June quarter. The decline in revenue, following three consecutive quarters of growth, can primarily be attributed to a lacklustre performance in its wireless business.On a year-on-year basis, the company's revenue grew 8.3%.

The company's net loss has narrowed to ₹1,470 crore during April-June, compared to ₹2,696 crore loss in the preceding quarter. The narrowing of the loss was owing to a higher base of last quarter, wherein the loss had widened owing to one time provision worth ₹4,573 crore for adjusted gross revenue (AGR) dues to the government. Even as the total expenses of BSNL during the quarter fell 15.3% q-o-q to ₹6,108 crore, a significant fall in revenue also

weighed on the bottomline. Of the ₹6,108 crore, employee cost, which includes salaries, wages, allowances and other benefits was at ₹1,940

crore, a fall of 4.6% q-o-q.

Nearly half of BSNL's revenue goes towards meeting the employee cost. Therefore, a fall in this expense is crucial for the company to be profitable, analysts said.Weakness in the topline of BSNL largely was due to fall in revenues from the wireless business. The company's revenue from wireless business

REPORT CARD

■ Revenue from operations fall 33% q-o-q fall to ₹4,290 cr in April-June quarter

BSNL's Arpu per month was around ₹85 in April-June, compared to ₹86 in the preceding quarter

fell 3% q-o-q to ₹1,350 crore. The weakness is this business can be attributed to a continuous loss of mobile subscribers by BSNL owing to weak network services and absence of 4G services. As of May-end, BSNLhas lost about 12.9 million mobile subscribers in 17 consecutive months, according to Trai data. The subscriber base was at 101.4 million as of May end. BSNL's active subscribers are nearly half of its total sub-

scribers, according to Trai data. According to estimates, BSNL average revenue per user per month was around ₹85 in April-June, compared to ₹86 in the preceding quarter. In comparison, Airtel's Arpu recently touched ₹200, whereas Jio's Arpu was at ₹180.5.

There will be no public offering of the Equity Shares in the United States.

comfort: Jefferies **RAJESH KURUP** Mumbai, August 14 adani **ADANI PORTS & Economic Zone** (APSEZ) appointing a new auditor

APSEZ naming new

auditor gives some

following the resignation of Deloitte Haskins & Sells gives a certain level of comfort to investors. Generally, auditor resignations see negative stock reactions, but it being replaced with a "reputed auditor" gives some comfort, according to a report by

services firm Jefferies. The Adani group company on Saturday announced the appointment of MSKA & Associates as statutory auditor. The new auditor is an independent member firm of BDO International and also audits a number of Nifty50 firms, including HDFC Bank.

investment bank and financial

BDO International is considered among the top six auditors globally, compared to Deloitte which is considered among the top four, the note said.

Deloitte, which resigned as the auditor of APSEZ, had sought an independent external examination of US-based short-seller Hindenburg Research's allegations. A

January 24 report by Hindenburg had accused Adani Group of significant governance issues, which the latter had denied.

APSEZ is examining the auditor's resignation, which was "arbitrary" and much ahead of end of the tenure. The group is looking at the financial implications and perception in the market following the resignations, and would take

Separately, according to sources close to Adani Group,

a "measured approach". They, however, did not elaborate on the actions. The audit committee (of APSEZ) was of the view that the grounds advanced by Deloitte for resignation as statutory auditor were not convincing or sufficient to warrant such a move, APSEZ audit committee chairman Gopal
