Dear Sir/Madam,

Sub: Trading Window closure period under Clause 4 of Schedule B read with Regulation 9 of SEBI (Prohibition of Insider Trading) Regulations, 2015 (“PIT Regulations”) – Extending framework for restricting trading by Designated Persons (“DPs”) by freezing PAN at security level to all listed companies in a phased manner.

1. Clause 4 (1) of Schedule B read with Regulation 9 of PIT Regulations, inter-alia, states that “*Designated persons may execute trades subject to compliance with these regulations. Towards this end, a notional trading window shall be used as an instrument of monitoring the trading by the designated persons. The trading window shall be closed when the compliance officer determines that a designated person or class of designated persons can reasonably be expected to have possession of UPSI. Such closure shall be imposed in relation to such securities to which such UPSI relates. Designated persons and their immediate relatives shall not trade in securities when the trading window is closed*”.
2. One of the instances of closure of trading window is provided in Clause 4 (2) of Schedule B read with Regulation 9 of PIT Regulations, which inter-alia states that “*trading restriction period shall be made applicable from the end of every quarter till 48 hours after the declaration of financial results.....*”.
3. In order to rationalize the compliance requirement under Clause 4 of Schedule B read with Regulation 9 of PIT Regulations, to improve ease of doing business and to prevent

inadvertent non-compliances of provisions of PIT Regulations by DPs, SEBI issued Circular SEBI/HO/ISD/ISD-SEC-4/P/CIR/2022/107 dated August 05, 2022, laying down a framework for developing a system to restrict the trading by Designated Persons (DPs) by way of freezing the PAN at security level during Trading Window closure period.

4. Accordingly, a system has been developed and framework put in place by the Depositories and the Stock Exchanges. The framework was initially made applicable for those listed companies that were part of benchmark indices i.e. NIFTY 50 and SENSEX. The aforesaid Circular was rescinded and superseded vide section 3.4.2 of Master Circular on Surveillance of Securities Market SEBI/HO/ISD/ISD-PoD-2/P/CIR/2023/039 dated March 23, 2023.
5. Considering the satisfactory implementation of the framework for the listed companies forming part of benchmark indices and the consultations held with the Stock Exchanges and Depositories, the above framework is hereby extended to all the listed companies.
6. To ensure smooth implementation of the framework, glide path is being prescribed as under:

Table 1: Timelines for phase wise implementation of the framework
