Annexure- FAQs

Q1. What does ‘Where a transaction is undertaken between members of the consolidated entity (between the listed entity and its subsidiary or between subsidiaries), it may be reported once’ in point 2 of notes in new SEBI format, mean?

Yes, XML file generated from BSE utility file can be uploaded in NEAPS. Further in case of any problem faced while uploading you may email the error on nsexbrl@nse.co.in.

Answer: All related party transactions entered into by the listed entity and its subsidiaries must be reported, however, when transaction is undertaken between the listed entity and its subsidiary or between subsidiaries, the disclosure of that transaction shouldn't be repeated from point of view of each member of the consolidated entity. For e.g., X Ltd is a holding listed company and Y Ltd is a subsidiary of X Ltd. X Ltd sold goods worth Rs. 10 crores to Y Ltd. At the time of reporting RPT disclosures, this transaction must be reported only once, either from the point of view of X Ltd (holding reporting company) as sale of goods or from the point of Y Ltd (subsidiary company) as purchase of goods.

Q2. From which period is the new format, as prescribed by SEBI in the annexure to circular dated November 22, 2021, applicable for submitting RPT disclosure?

Answer: Listed entities are required to submit the RPT disclosures in the new SEBI format, for reporting period for the half year end commencing from 01 October, 2021 to 31 March, 2022.

Q3. Are the companies required to provide RPT disclosures for the second half year, on year-to-date basis or on six-months end basis?

Answer: As per the SEBI circular, the disclosure must be on six-month end basis for both, first half and second half year.

Q4. Whether the definitions/provisions effective from April 01, 2022 apply on transactions for the half year ended commencing from 01 October, 2021 to 31 March, 2022, that are required to be disclosed in new SEBI format?

Answer: No, the definitions/provisions that are specifically mentioned to be effective from April 01, 2022 shall be applicable on transactions undertaken from April 01, 2022 onwards.

¹NSE/CML/2022/18 dated April 25, 2022

Q5. Whether the disclosure must be in standalone or consolidated basis?

Answer: As per the new format of SEBI, the column header is "Details of the party (listed entity /subsidiary) entering into the transaction", therefore, the intent of SEBI is that the companies should disclose all the RPT transactions of itself and its subsidiaries. Therefore, the concept of disclosure on standalone or consolidated basis has been done away with and all the transactions must be disclosed.

Q6. Is the RPT disclosures required even if there are no related party transactions during the reporting period?

Answer: Yes, as per point 1 of notes in new SEBI format, "...opening and closing balances, including commitments, to be disclosed for existing related party transactions even if there is no new related party transaction during the reporting period".

Q7. Materiality criteria for brand usage or royalty is defined separately in regulation 23 (1A). Does it mean that even if the threshold in proviso to regulation 23 (1) substituted w.e.f. 01 April, 2022, is exceeded in case of brand usage or royalty, still it shall not be disclosed if threshold in regulation 23 (1A) is not exceeded?

Answer: Yes, transactions involving brand usage or royalty shall only be tested with the materiality threshold provided in regulation 23 (1A) and be disclosed only if the threshold therein is exceeded.

Q8. Whether banks are also required to submit the RPT disclosures in SEBI's new format?

Answer: Yes, banks are also required to submit the RPT disclosures in SEBI's new format.

Q9. As per first proviso to definitions in regulation 2 (1) (zc), "acceptance of fixed deposits by banks/Non- Banking Finance Companies at the terms uniformly applicable/offered to all shareholders/public" shall not be a related party transaction, subject to disclosure of the same along with the disclosure of related party transactions every six months to the stock exchange(s), in the format as specified by the Board.

Further, as per point 9 of notes in new SEBI format, "Transactions such as acceptance of fixed deposits by banks/NBFCs, undertaken with related parties, at the terms uniformly applicable /offered to all shareholders/ public shall also be reported."

For banks/NBFC, whether such disclosure is required in the new SEBI format or as a declaration statement that "acceptance of fixed deposits by the banks/Non-Banking Finance Companies are at the terms uniformly applicable/offered to all shareholders/public"?

Answer: The disclosure is required as a declaration statement that "acceptance of fixed deposits by the banks/Non-Banking Finance Companies are at the terms uniformly applicable/offered to all shareholders/public".

Q10. As per provision 8 (a) of RBI circular RBI/DBR/2015-16/19 dated March 03, 2016 (updated as on November 11, 2021), Scheduled Commercial Banks shall, at their discretion, allow additional interest of one per cent per annum, over and above the rate of interest mentioned in the schedule of interest rates on savings or a term deposits of bank's staff and their exclusive associations as well as on deposits of Chairman, Chairman & Managing Director, Executive Director or such other Executives appointed for a fixed tenure.

Answer: The compliance with the provisions as specified in regulations 23 shall not apply, in respect of listed entity having paid up equity share capital not exceeding rupees ten crore and net worth not exceeding rupees twenty five crore, as on the last day of the previous financial year.

If any of the criteria (paid up equity share capital and net worth) is not satisfied, RPT disclosures shall be mandatory for the company.

During this review period, the lenders may decide on a resolution strategy which may include putting in place a resolution plan or alternatively initiate legal proceedings under the Insolvency and Bankruptcy Code.

1. In cases where Resolution Plan is to be implemented, all lenders shall enter into an Inter-Creditor Agreement (ICA), during the Review Period, to provide for ground rules for finalisation and implementation of the Resolution Plan in respect of borrowers with credit facilities from more than one lender.
2. As per the provisions of Regulation 30 of SEBI (Listing Obligations and Disclosure Requirements) (LODR) Regulations 2015, the listed entities are required to ensure timely and accurate disclosure on all material matters including the financial situation, performance, ownership, and governance of the listed entity, etc.
3. It has been observed that the developments related to the Inter-Creditor Agreement (ICA) are likely to have significant impact on the prices of the securities of the listed entities whose assets have been deemed to be 'stressed' on account of default or delay of interest / principal payments. Hence, as per the provisions of SEBI (LODR) Regulations, 2015, the developments such as signing of Inter Creditor Agreement (ICA) by the lenders of the listed company, is **deemed to be 'material'** as it is likely to have significant impact on the ownership and governance of the Company.

Hence the following directions are being issued in consultation with SEBI and will be applicable to all listed entities with immediate effect:

- (i) Listed entities shall promptly disclose to the Exchange regarding the 'material' developments pertaining to default and/or Inter Creditor Agreement (ICA), in terms of Regulation 30(1) and 30(2) of the SEBI (Listing Obligations and Disclosure Requirements) Regulations 2015 and all amendments and circulars issued thereunder.
- (ii) All participants, who have acquired confidential information in the course of developments pertaining to default and/or ICA, shall maintain the confidentiality of such information, until the same is publicly disclosed to Exchange. Such participants shall include the companies, lenders and any other entities who may have access to unpublished price sensitive information (UPSI) as defined in SEBI (PIT) Regulations, 2015.
- (iii) Such participants shall continue to ensure that a strong and robust framework to maintain confidentiality of the unpublished price sensitive information and ensure that persons (including the lenders and any other entities who may have access to UPSI as defined in SEBI (PIT) Regulations, 2015) are put through necessary restrictions as required under the provisions of the SEBI (Prohibition of Insider Trading) Regulations 2015.
- (iv) Companies shall on their own promptly confirm or deny (as the case may be) and clarify to stock exchanges regarding any rumours or news on developments pertaining to default and/or Inter Creditor Agreement (ICA).

Listed companies are required to take note of the above directions and comply accordingly.

5.5 Guidance note on communications by Listed Entities⁵

One of the mediums being used by listed entities to communicate with their stakeholders is the Exchange platform provided in the form of its website. Apart from regulatory filings, entities provide updates on their performance, awards/recognition received worldwide, positioning themselves as a leader, etc. There are also instances wherein Key Managerial Personnel or any other person representing the listed entity is seen disclosing the company's prospects, future plans, etc while being interviewed. While all this may be significant to survive in an ecosystem in which the company operates, stakeholder interest is of paramount importance as well. The company shall ensure that no price-sensitive information is disclosed unless the same has been first disclosed to the stock exchanges.

The below is an indicative list of things that shall be kept in mind by the listed entities while publicizing the company:

- a. The statement made shall be truthful, fair, evidence-based and shall not be manipulative or deceptive or distorted and the listed entity shall not make any statement, promise, or forecast which is untrue or misleading.
- b. The information shall contain clear, concise, and understandable language.
- c. If the listed entity presents any financial data, data for the past three years shall also be included along with particulars relating to sales, gross profit, net profit, share capital, reserves, earnings per share, dividends, debts, and the book values. The companies should also provide a link to the company's website where the details are available and can be verified.
- d. Listed entities shall use simple and easy-to-understand language without using extensive technical, legal terminology, or complex language. The details provided should be adequate and appropriate so that the investors are not distracted with excessive details.
- e. The company should provide information only with respect to publicly reported financial information and not provide any forward-looking statement.
- f. Non-factual and unsubstantiated statements shall not be made.
- g. The company can position itself as a leader, pioneer, expert, or any word indicating it as the best only based on factual data, which is widely available and not based on single source, unless such source is a recognized source and has third-party certification. The company shall also indicate the source based on which such claim is being made and the information on such source should be in the public domain and verifiable.
- h. In case of receipt of awards/recognition, disclosure shall include whether the listed entity has any relations with the awarding agency along with the number of participants that were evaluated, recognition of the awarding agency in the field in which award is given, and publicly available information relating to the awarding agency.

5.6 Guidance Note on Analyst/ Institutional Investors meet⁶

The Securities and Exchange Board of India vide notification dated May 05, 2021 have made various amendments to the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (“LODR Regulations”). One of the amendments includes enhanced disclosure requirement w.r.t. point 15 of para A of Part A of Schedule III on LODR Regulations. Many companies have sought clarity on this amendment. Thus, the Exchange in consultation with SEBI is providing clarification on the below points:

- Disclosure of group meetings (including schedule and post meeting disclosures) shall be mandatory, whereas disclosure with respect to one-on-one meetings shall not be mandatory
- All Audio or video recordings and transcripts of post earnings/quarterly calls, by whatever name called, conducted physically or through digital means, either conducted by listed entity or any other entity shall be disclosed to the recognized stock exchange

Further in order to strengthen the disclosure requirements, Exchanges have been advised to issue the below guidance under SEBI (Prohibition of Insider Trading) Regulations, 2015 to listed entities in the surveillance meeting held between SEBI and Exchanges on June 04, 2021. Kindly note that the below disclosure shall only be applicable in case if Unpublished Price Sensitive Information is shared during the meet:

- SEBI (Prohibition of Insider Trading) Regulations, 2015 provides for fair disclosure of Unpublished Price Sensitive Information (UPSI).
- It has been observed that in cases where the analysts / research personnel / investor meet (attended by persons representing the listed companies, whether one on one or group meet) has not been organised by the listed company, the possibility of the company sharing UPSI during these meetings cannot be ruled out. If any price sensitive information has been shared in such meetings, it will tantamount to ‘selective disclosure’ and create information asymmetry affecting the market integrity, resulting in non-compliance with the extant regulatory framework.
- In order to avoid such information asymmetry, to ensure market integrity and to safeguard the interest of investors, all listed companies shall be required to disclose audio recordings or transcripts of all such information (as mentioned in the previous point) where UPSI is shared, irrespective of whether the meeting was organised by the listed company or by any other entity.
- The above disclosure is mandated in terms of Regulation 8(1) of Chapter IV (i.e. codes of fair disclosure and conduct) read with Schedule A of SEBI (PIT) Regulations, 2015.

Companies are requested to comply with the requirement of the applicable regulations as amended from time to time.

5.9 Guidance note on disclosures pertaining to analysts / institutional investors meet and best practices⁹

SEBI (Listing Obligation and Disclosure Requirements) Regulations, 2015 ('LODR Regulations') provide for disclosures pertaining to analysts or institutional investors meets or calls under the provisions of point 15 of para A of Part A of Schedule III. In consonance of which the Exchange had issued a guidance note bearing circular number NSE/CML/2021/24 dated June 29, 2021, titled 'Guidance Note on Analyst/Institutional Investors meet' providing further clarification for ease of compliance.

Attached is a guidance note in continuation to the above stated circular to further acquaint the listed companies with the existing regulatory requirement and the industry best practices surrounding the reporting of analysts / institutional investor meet / conference calls made to Exchange to encourage listed companies to proactively disclose all material information that not only help investors in decision making but also helps listed entities in building trust with various stakeholders.

Companies are requested to comply with the requirement of listing regulations and other applicable regulations as amended from time to time. The guidance note can be used only for benchmarking reporting procedures and for reference purpose.

This is for your information please.

Guidance Note

Listed companies under the LODR Regulations are required to provide disclosures at various stages of an analyst / institutional investor meet / call. Therefore, the below guidance note is divided in stages of disclosures for better understanding.

Prior to the meet / call

The listed companies are required to submit schedule of analysts or institutional investors meet to the Exchange as per the timelines mentioned under the provisions of LODR Regulations irrespective of it being an earnings call or otherwise. On pursuing best practices followed by top Indian listed company it was understood that the notice of an earnings / open ended call / meet was hosted on company's website and submitted to the Exchange well in advance. Further, the listed companies are recommended to provide the following minimum but not limited to the said details in disclosures of schedule: details pertaining to the meet / call, mode of attending, details pertaining to registrations, disclaimers/note to complete/ease registration/attending the call, details regarding specific platform requirements, if any, inclusions/exclusions of audience/participants if any, such other details as applicable. Adding to the best practice in the industry it is also noticed that the presentation of earnings / open ended meet / call are submitted to the Exchange and uploaded on company's website in advance of such meet / call.

Securities Exchange Board of India (SEBI) vide its amendment dated May 05, 2021, made only the disclosure of the schedule of group meetings / conference calls conducted physically or through digital means mandatory thereby making disclosure of one-to-one meeting voluntary. Also, it is best practice to submit disclosures pertaining to meets / calls / interviews which a listed entity attend to promote transparency and awareness.

⁹NSE/CML/2022/38 dated July 29, 2022

During the meet / call

Regulations around the analysts / institutional investors meet / call seek disclosure of adequate and timely information to enable investors to track the performance of a listed company. It is noticed that minority shareholders are not privy to the information shared with a select group of investors, thereby creating information asymmetry among different classes of shareholders. In order to avoid such imbalance in the market and promote good corporate governance, the listed companies, under SEBI (Prohibition of Insider Trading) Regulations, 2015 are required to avoid sharing any Unpublished Price Sensitive Information (UPSI) in any meet / call. If any UPSI is shared in any meet / call irrespective of organised by the listed company or attended, one-to-one or group, physical or virtual listed companies shall be required to disclose audio recordings or transcripts of all such information wherein UPSI was shared within the timelines prescribed in applicable Regulations.

In EU/UK province, Market Abuse Regulation (MAR) prevents selective disclosure of material non-public information (MNPI). MAR requires that the companies must not disclose MNPI selectively at the investor meetings. If they do, an immediate announcement would be required but it would still be a breach of the regulations.

On studying disclosures of top listed companies, it was observed that a disclaimer / confirmation is added in the disclosure stating that 'Company will be referring to publicly available documents for discussions during interaction in the meet/call' or 'No unpublished price sensitive information is proposed to be shared during the meeting / call' to create confidence and maintain sanctity of the meet / call. It is recommended that listed companies shall avoid disclosing an UPSI during discussion in any meet / call; if disclosed whether voluntarily / involuntarily, is mandated under regulations to provide a prompt disclosure on occurrence of such instance.

Post the meet / call

LODR Regulations mandates listed companies to submit audio or video recordings and transcripts of post earnings/quarterly calls, by whatever name called, conducted physically or through digital means. The recording and transcript of earnings/quarterly calls are required to be submitted to Exchange irrespective if UPSI is shared in such meets / calls. The mannerism of submitting the same as follows:

(i) the presentation and the audio/video recordings shall be promptly made available on the website and in any case, before the next trading day or within twenty-four hours from the conclusion of such calls, whichever is earlier

For example:

(a) if the meet / call is scheduled on Tuesday, July 05, 2022 at 11:00 AM IST then, the audio/video recordings shall be submitted to Exchange and made available on company's website not later than Wednesday, July 06, 2022 09:00 AM IST.

(b) if the meet / call is scheduled on Friday, July 01, 2022 at 05:00 PM IST then, the audio/video recordings shall be submitted to Exchange and made available on company's website not later than Saturday, July 02, 2022.

(ii) the transcripts of such calls shall be made available on the website within five working days of the conclusion of such calls

For example: if the call was scheduled on Friday, July 01, 2022 then, the transcript of such call shall be submitted to Exchange and made available on company's website not later than Friday, July 08, 2022 before end of the day.

The recordings and transcripts are mandated to enable minority shareholders and genuine institutional investors to make an informed investment decisions and in order to benchmark the said submission the below are few recommendations that listed companies can undertake to improvise the disclosures and record keeping:

- (i) Attachment of the copy of transcript to the corporate announcement submitted to the Exchange.
- (ii) Providing exact web link to the website of the listed company instead of the home page where the document is uploaded.
- (iii) List of management attendees.
- (iv) Recording the dialogues including but not limited to the presentation, the Q&As', any assents / dissents and open points.
- (v) Confirmation that no unpublished price sensitive information was shared/discussed in the meeting / call.
- (vi) Readable pdf to be uploaded.

Further the LODR Regulations seek the listed companies that the presentation and the audio/video recordings shall be hosted on the website of the listed company for a minimum period of five years and thereafter as per the archival policy of the listed entity, as disclosed on its website. However, the recordings shall be maintained until the time of closure of any investigation undertaken on the business of the said meeting / call. Additionally, the transcripts of the meets / calls shall be hosted on the website of the listed company and preserved in permanently as required under the LODR Regulations.

STANDARD OPERATING PROCEDURE AND WAIVER**

9.1 Policy for exemption of fines levied as per the provisions of SEBI SOP Circular - Debt

Reasons for Waiver / Reduction of Penalty levied under SEBI SOP circular.

For considering a company's case for waiver of penalty, the company would be required to disclose to the Exchange, the events that prevent / impact filing of compliances as mentioned in SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 ('Listing Regulations'), as amended from time to time, either immediately or as soon as practically possible. Further, a case for waiver or reduction of fine shall be considered only where the applicant company has fully complied with all its compliances under the Listing Regulations, other applicable regulations and circulars issued thereunder.

The events referred to below, shall be disclosed along with the relevant supporting documents evidencing the same, including the impact assessment of the event, duly certified by the Company Secretary or the Compliance Officer. In case of impact on filing of Financials, the same shall be certified by the Statutory Auditor of the company.

Non-disclosure of the events preventing / impacting filing of compliances in a timely manner may result in rejection of request for waiver / reduction of fine.

The indicative list of events that may be considered by the Exchange for granting waiver or reduction of fine levied under SOP for compliance with Listing Regulations are mentioned below along with criteria to be considered:

1. Natural calamity (Act of GOD)

In the event of Natural calamity, the following will be considered while approving such request:

- a. Whether the event had occurred during the period under review or during the period of filing the compliances.
- b. Where did the event occur and how it impacted the requisite disclosure from being made in time bound manner.
- c. Event is notified to the Exchange as soon as possible, along with periodic updates.
- d. In order to claim the waiver/reduction of penalty, company will have to adequately demonstrate that the said Natural Calamity resulted in the company not being able to comply with the applicable Regulations.

2. Seizure / Capture of books / computers etc.. by regulatory / statutory authorities

On account of seizure of documents / computer hardware / software, etc., as the case may be, by regulatory or statutory authorities:

1. The event should have been intimated as a material event at the time of seizure / capture along with the relevant documentation evidencing the same, including the impact assessment of the event duly certified by the Company Secretary or the Compliance Officer e.g. seizure report / panchnama.
2. The seizure / capture should have occurred during the periods under review or during the period of filing the compliances

Further as a general principle, waiver or exemption may be considered even for quarters in which the event has not occurred, but the impact of the event as mentioned prevents the company from complying with the disclosures required under the Listing Regulations.

PRE-CONDITIONS FOR ACCEPTING APPLICATIONS FOR FULL / PARTIAL WAIVER OF FINES

1. The above list of events may be revised from time to time by the Exchanges after joint consultation and disseminated on the Exchange websites. The Exchanges may jointly consider any event which is not mentioned in the above list that deserves full or partial exemption / waiver based on reasons recorded in writing. 2. Companies should file their application in the prescribed mode as mentioned in the notice of levy of penalty, requesting for waiver of fines along with specific reasons for claiming the same, within 15 days from the date of Exchange communication intimating about levy of fines, failing which such application shall be liable for rejection.

3. Further the happening of any event listed above does not automatically confer any right or entitlement to waiver of fine and request for waiver/ reduction in penalty shall be considered only upon the company applying for the waiver with full underlying facts and evidences and after ascertaining the facts in the matter. It may be noted that the decision of the Exchange shall be final and repeated applications for waivers that are

declined earlier, would not be entertained, unless there are any mitigating fresh facts. The Exchange reserves the right to accede to or deny the request for waiver/reduction in penalty, for reasons to be recorded in writing.

1. Natural calamity (Act of GOD)

In the event of Natural calamity, the following will be considered while approving such request:

- c) casual vacancy caused on account of resignation/ removal/ death/ disappearance of directors or KMPs in such cases, the company has to provide evidence that it has taken adequate steps to remedy the non-compliance within the stipulated time. Such evidence shall, inter alia, include proof of communication sent to the approving

authority seeking approval for the appointment / receipt of communication from the authorities appointing a nominee director that resulted in existing compliance becoming non-compliance. In case of the former, such communication should have been sent by the company to the relevant authority, prior to the last due date of compliance. 9.3 Processing of waiver applications by the Exchanges in case of commonly listed entities - Equity

Background

SEBI vide SOP Circular ref. no. SEBI/HO/CFD/CMD1/CIR/P/2020/48 dated January 22, 2020 (erstwhile circular ref. no. SEBI/HO/CFD/CMD/CIR/P/2018/77 dated May 03, 2018) directed the Exchanges to put in place a framework to monitor submissions made by listed entities to initiate actions such as levy of penalties, moving of security to 'Z' category, freezing of promoter holdings and suspension of trading in securities of non-compliant listed entities.

Further, SEBI vide its abovementioned SOP Circular has directed the Exchanges that they may deviate from the actions prescribed in SOP Circulars, if found necessary, only after recording reasons in writing.

In view of the above, the Exchanges have jointly formulated a "Policy for Exemption of Fines" and the same was noted by SEBI on January 22, 2020. The Exchanges have also constituted Internal Committees for reviewing the requests received for waiver of SOP fines.

As per the abovementioned "Policy for exemption of fines" the non-compliant companies are required to file an application for waiver of fine only on achieving compliance with provisions of Listing regulation/s.

Procedure

The Exchanges in consultation with SEBI have agreed upon the following procedure for allocating the listed companies:

- The Exchanges shall segregate the commonly listed companies amongst themselves. The process shall be done in such a way that approximately equal number of companies are allocated to each Exchange.

After completion of six months, the group of companies will be exchanged between both the Exchanges for the next six months.

Note: - Commonly listed companies here mean companies which are listed and are also non-compliant at both Exchanges. Commonly listed companies will not include companies-

- a) which are non-compliant at only one Exchange e.g., if ABC Limited is listed on both the Exchanges, falls under the group which is to be handled by NSE but observed to be non-compliant at BSE only, the same shall be disposed of by BSE only.
- b) whose compliance at the other exchange is later than the Exchange in whose bucket the company falls for that period. E.g., if ABC Limited is listed on both the Exchanges, falls under the group which is to be handled by BSE but has delayed compliance at both the Exchanges, but delay is greater at NSE or non-compliance continues at NSE, the same shall be disposed of by NSE only and BSE will not consider the exemption application. This will ensure that compliance is met at both the Exchanges and the Exchange where there is a larger delay will be able to consider the justification for the delay.

- The companies shall be segregated based on the date of application. i.e. all applications received during a 6-month period will be considered by one exchange.
- Companies making an application seeking waiver of fines, along with applicable processing fees, should have cleared their earlier dues, including fines and fees, to all the Exchanges where it is listed, prior to making an application. Companies shall also make detailed submission seeking waiver of SOP Fines considering the extant Policy for Exemption of Fines and shall indicate whether it intends to seek personal hearing before the concerned Committee.
- Companies are advised to submit all the supporting documents along with the application and shall desist from filing response or supporting documents/information on a piece meal basis.

- The decision taken by one Exchange on waiver requests will be applicable to the same waiver requests received by other Exchanges to maintain the uniformity in decision at both Exchanges.
- Second time waiver (Review) requests received from companies will be placed before the committee of the Exchange which had handled the request for the first time, irrespective of the date of receipt of applications.

For example: The waiver application by ABC Limited was handled by BSE Limited (other Exchange) when the company was falling under group allocated to BSE Limited. If ABC Limited files a review application against the rejection order filed by BSE Limited after the completion of the 6-month period of interchanging the companies between the Exchanges, the same shall continue to be handled by BSE Limited only.

Though the company may fall under the group which is to be handled by other Exchange (NSE), the second application of review will be placed at BSE (the Exchange which had handled the initial application of the Company).

- Newly listed companies shall be added to the segregation every quarter.

The above procedure shall be effective for applications seeking waiver of SOP fines, submitted to the exchanges on or after April 1, 2022.

Personal Hearing:

Personal hearing, if sought by the companies, will be conducted only by the Exchange which is handling (disposing) the waiver requests for that Company/Group for that period.

Processing Fees

Exchanges shall levy processing fees for considering the waiver requests on the following basis

- 1) Fees shall be levied on companies which apply for waiver.
- 2) Waiver processing fees shall be Rs. 10,000 per application. Companies may submit a single application for multiple requests for waiver pertaining to different regulations/period.
It may be noted that the application for waiver is to be submitted at all the exchanges where the fines have been levied. However, processing fees are to be submitted only to the designated exchange.

The Companies are advised to pay waiver processing fees in the same account where they pay Annual Listing Fees. Please refer Unique Account Code used for paying Annual Listing fees to the Exchange.

- 3) In case the Company is not satisfied with the decision of the Exchange and intends to apply for review, the fees applicable for such review shall be Rs. 20,000 per application.
- 4) In the event that the waiver request is accepted fully, the Exchange shall refund the processing fees charged. In case of Partial waiver of the fines, processing fees of Rs. 5000 shall be refunded and balance fees may either be refunded / adjusted against outstanding fines.
- 5) No processing fees shall be charged if the fine amount for which waiver is requested is less than Rs. 5000.
- 6) Time limit for filing of waiver/ review request shall be 3 months from the date of compliance by the Company. If any Company wishes to apply for waiver beyond this timeline, the same shall only be admitted by the Exchange if it can demonstrate circumstances to the satisfaction of the Exchange.
