RISKS TO INVESTORS

(For details refer to the section titled "Risk Factors" on page 31 of the RHP)

- Project cancellation/ modification risk:** Our Order Book is subject to cancellation, modification or delay which may materially and adversely affect our business, future prospects, reputation, financial condition and results of operation. If any of our projects are cancelled or terminated prematurely, there can be no assurance that our Company will receive the applicable termination payments in time or at all that the amount paid will be adequate to enable our Company to recover its investments in the prematurely cancelled project. As of June 30, 2024, our confirmed Order Book amounted to ₹ 1,02,130.66 million.
- Project costs overrun and time overrun risk:** Since our project management and turnkey EPC contracts (including those for power transmission and distribution), have long execution periods and time overruns, project related estimated costs and revenue estimates may vary from the actual costs incurred and actual revenues generated which may adversely affect our business, financial condition, results of operations and future prospects. In the past our Company has faced time and cost overruns in certain international projects.
- Risk in relation to tenders by public sector authorities:** Our business is substantially dependent on tenders being floated by government authorities, public sector undertakings and utilities, from which we derive a significant portion of our revenues, i.e. approximately 70% of our revenue from operations for the three months period ended June 30, 2024. Any delays in tenders released or no tenders released by such entities may have a material adverse effect on our business and results of operations.

future or other regulatory actions in relation to the non-compliance, our reputation, business and results of operations could be adversely affected.

- Indebtedness risk:** We have substantial capital expenditure and working capital requirements involving relatively long implementation periods and we may require additional financing to meet those requirements. As of September 30, 2024, our Company had total outstanding indebtedness amounting to ₹ 57,689.30 million.

Details of our capital expenditure and working capital as per Restated Consolidated Financial Information is set out below:

Particulars	Source of financing	As at and for the			
		Three months period ended June 30, 2024	Financial Year ended March 31, 2024	Financial Year ended March 31, 2023	Financial Year ended March 31, 2022
Capital expenditure*	Capex and term loans from various banks and non-banking financial institutions and balance from internal accruals.	192.56	322.73	659.56	707.53
Working capital	Working capital facilities from various banks, non-banking financial institutions, equity raised, inter corporate loans and internal accruals.	11,920.18	11,748.79	7,899.59	6,672.34

* Gross additions in fixed assets, net addition in capital work-in-progress and intangible assets.

Our indebtedness and the conditions and restrictions imposed on us by our financing arrangements could adversely affect our ability to conduct our business.

- Risk regarding a CBI matter:** We have an outstanding FIR filed by the Central Bureau of Investigation, Anti-Corruption Bureau, Lucknow, Uttar Pradesh ("CBI") for Gomti River Project. Any adverse developments in such CBI matter may have a material adverse effect on our business, financial condition, results of operations and cash flows.
- Risk regarding show cause notice received from RBI:** In the past, our Company has received a show cause notice from RBI for FEMA non compliance. Any adverse action in the future or inability of our Company to realize and repatriate the outstanding dues may have a material adverse impact on our business operations and financial condition.
- Proceeds from the Offer for Sale portion:** The Offer includes an offer for sale of up to 10,160,000 Equity Shares by the Promoter Selling Shareholder. The proceeds from the Offer for Sale (net of expenses) will be paid to the Promoter Selling Shareholder and our Company will not receive any proceeds from the Offer for Sale.
- Market Risk:** The Offer Price of our Equity Shares, market capitalization to revenue from operations ratio and our price-to-earnings ratio may not be indicative of the trading price of our Equity Shares upon listing on the Stock Exchanges subsequent to the Offer and, as a result, you may lose a significant part or all of your investment.

* These contracts include projects across all our business verticals i.e., power transmission and distribution, civil construction, railways and poles and lightings.

- Foreign currency risk:** We are exposed to foreign currency fluctuation risks, particularly in relation to import of raw materials, receivables from our foreign projects and our trade receivables, which may adversely affect our results of operations, financial condition and cash flows.

The breakdown of our revenue from operations on the basis of geography is set out below:

Particulars	Three months period ended June 30, 2024	Financial Year ended March 31, 2024	Financial Year ended March 31, 2023	Financial Year ended March 31, 2022
Revenue from operations generated in India (in ₹ million)	4,494.59	16,619.17	14,388.38	14,170.34
Percentage to total revenue from operations (%)	50.11	41.45	46.62	62.04
Revenue from operations generated outside India (in ₹ million)	4,474.44	23,473.13	16,472.99	8,671.08
Percentage to total revenue from operations (%)	49.89	58.55	53.38	37.96

While we hedge our foreign currency exposure through forward contracts, a very small portion of our international business is hedged. Majority of our trade receivables and trade payables are in USD and Bangladesh Taka. Accordingly, depreciation of the Indian Rupee against the USD and other foreign currencies may adversely affect our results of operations if there is an increase in the cost of the raw materials we import or any proposed capital expenditure in foreign currencies.

- Reputation risk:** Our Company was a subsidiary of Gammon India Limited ("GIL") in the past. Any action taken against GIL pursuant to the proceedings outstanding against GIL, may have an adverse impact on our reputation and business. As on the date, GIL holds 389,770 Equity Shares aggregating to 0.31% of the issued and paid-up Equity Share capital of our Company.

- Non-compliance risk:** In the past, our books of accounts have been inspected by the Ministry of Corporate Affairs ("MCA") and certain non-compliances have been found by the MCA in our books of accounts. There are no violations, as disclosed above, that are continuing or not compounded by the MCA, as on the date of the Red Herring Prospectus. Further, in the past, our Company has been subjected to penalty in case of contraventions under the Companies Act, 2013 in connection with the Pre-IPO Placement. If we are subject to penalties in the
