RISK TO INVESTORS

- (i) While we have a diversified geographical presence, our projects have historically been concentrated in the state of West Bengal and any changes affecting the policies, laws and regulations or the political and economic environment in the region may adversely impact our business, financial condition and results of operations.
- (ii) We source a large part of our orders from our relationships with large engineering and construction companies, both present and past. Any failure to maintain our long-standing relationships with our existing clients or forge similar relationships with new ones would have a material adverse effect on our business operations and profitability.
- (iii) Our business is working capital intensive. If we experience insufficient cash flows or are unable to access suitable financing to meet working capital requirements and loan repayment obligations, our business, financial condition and results of operations could be adversely affected.
- (iv) Our business is subject to seasonal variation and we may not be able to accurately forecast our project schedule which could have an adverse effect on our cash flows, business, results of operations and financial condition.
- (v) Our Order Book may not be representative of our future results and our actual income may be significantly less than the estimates reflected in our Order Book, which could adversely affect our business, financial condition, results of operations and prospects.
- (vi) We rent certain process-critical equipment and mobilize such equipment at the beginning of each project resulting in increased fixed and operating costs to our Company. In the event we are not able to generate adequate cash flows it may have a material adverse impact on our operation.
- (vii) We derive a significant portion of our revenues from a limited number of clients. The loss of any significant clients may have an adverse effect on our business, financial condition, results of operations, and prospects.
- (viii) We are dependent on limited number of suppliers and contractors for supply of key raw materials and manpower. We have not made any long term supply arrangement with our suppliers. In an eventuality where our suppliers and contractors are unable to deliver us the required resources in a time-bound manner it may have a material adverse effect on our business operations and profitability.
- (ix) Quoting for a contract involves various management activities such as detailed project study and cost estimations. Inability to accurately estimate the cost may lead to a reduction in the expected rate of return and profitability estimates.
- (x) We may be unable to adequately protect our intellectual property and may be subject to risks of infringement Claims.
- (xi) The Price/ Earnings ratio based on basic EPS for Fiscal 2024 for the company at the Cap price is 14.66
- (xii) Weighted Average Return on Networth for the August 31, 2024 is 29.74% and Fiscal 2024, 2023 and 2022 is 49.01%
- (xiii) Weighted Average cost of acquisition, Floor and Cap Price
