RISKS TO INVESTORS

- Our business is dependent on the sale of our products to key customers. The loss of any of our key customers or loss of revenue from sales to our customers could have a material adverse effect on our business, results of operations, financial condition, cash flows and future prospects.
- We are highly dependent on a single Manufacturing Facility for the entire portion of our revenue from operations. Any disruption, breakdown or shutdown of our Manufacturing Facility may adversely affect our business, results of operations, financial condition, cash flows and future prospects.
- Material adjustments have been made in the financial statements of the Company by our Independent Peer-Reviewed Auditors.
- Our Company has delayed payment of Government and statutory dues, and has been penalised.
- Our company has not complied with certain statutory provisions of the Companies Act and Rules thereunder. Such non-compliance may attract penalties and other actions against our Company and its Directors which could impact the financial position of us to that extent.
